# FISHING RULES

- GFAA rules apply. Anglers must be members of the Weipa Billfish Club Inc. or a member of a club affiliated with GFAA. Anglers can join WBFC at registration. The WBFC reserves the right to refuse entry to any person.
- GFAA RULE – The last 5 metres of main line constitutes line class
- Teams MUST be familiar with GFAA rules regarding leader length and angling rules – tournament judges will be checking tackle throughout the tournament.
- Team sizes are to be a minimum of 2, with a maximum of 4 anglers on any given day, and each team is restricted to one boat. Prizes are only allocated for teams up to 4 anglers.
- The tournament is a billfish only (Marlin and Sailfish) tag and release tournament.
- Each billfish tagged will be awarded with the following points:

<u>LINE CLASS</u>	<u>10KG &amp; UNDER</u>	<u>15KG &amp; 24KG</u>
SAILFISH	1000pts	900pts
MARLIN	1300pts	1170pts

- In the event of a tie, the angler/team to reach the score first will be awarded the winner.
- Line Classes –6,8,10,15 & 24kg. Note: there are no bonus points for fishing lighter than 10kg and 24kg is max line class permitted
- Fishing grounds – as per tournament map.
- Points will be awarded when the following conditions are met:

*The fish is tagged and released with NSW fisheries "Billfish Only" tags. Tagging with any other tag will result in disqualification of the fish. Tag poles are restricted to a maximum length of 15 feet. Note: time recorded is the time the fish is released.*

## RADIO SKEDS

In the interest of safety and event success, accurate radio skeds are compulsory for all teams and will be conducted on VHF channel 77. If the sked boat cannot be heard or reached, every effort must be made to relay a message via another boat. Inaccurate or missed skeds will incur a penalty of loss of all points for the day. Any vessel not reporting two consecutive skeds will invoke search and rescue efforts at their own expense.

Radio skeds are to be reported with the team's name, followed by location as per the supplied fishing map, followed by the activity score for billfish only. For example:

*Last Cast, Foxtrot 6, with a 3, 3, 2* (first digit refers to the strikes, the second to hook ups and the third to tagged billfish)

A radio silence period shall be observed from the end of the last sked each day until the call of cease fishing at 4.00pm to allow for late hook-up calls. All hook ups during this period must be called immediately to qualify for playing out after cease fishing. Any team not observing sked rules will be deducted their full days points.

## SKED TIMES

SATURDAY	09:30AM	12:30PM	3:30PM
SUNDAY	09:30AM	12:30PM	3:30PM

# FIRST MARLIN & SAILFISH TAGGED DAILY

## HEAVIEST OF EACH OTHER GAME FISH SPECIES
